Bloomington, MN— The Valley View Skate Park, 90th Street and Portland Avenue, will hold a Grand Opening Celebration on Saturday, October 12, from 10-11:30 a.m., with an introduction by Mayor Gene Winstead and a ribbon cutting beginning at 10:15 a.m. Refreshments will be provided.

The newly renovated, tier one skate park features ramps, rails and other skating elements under three feet in height. The Valley View Skate Park renovation was made possible through a \$25,000 donation from Bobby and Steve's Auto World Youth Foundation, which included \$1,000 donations from Quality Bike Products and the Trygstad Family. An additional donation of \$3,100 was provided by the Friends of the Bloomington Skate Park.
